

ONE IMMERSION. TWO PATHWAYS FORWARD.

**Graduation marks
what you completed.**

**This immersion helps
shape and open doors for
the nurse you will become.**

H2S

Help2Serve.Care

Service, learning and preparation for what comes next.

One immersion. Two pathways forward.

Prepare with Purpose — Track One

BEFORE THE NCLEX-RN

NCLEX preparation continues through the immersion.

Step Into What's Next — Track Two

AFTER THE NCLEX-RN

Post-NCLEX focus on transition to professional practice.

Note: Participants may change tracks at any time before departure.

Prepare with Purpose — Track One

BEFORE THE NCLEX-RN

Keep preparing. Broaden your perspective.

Structured NCLEX review

Guided question discussions

Dedicated preparation time

Ask for the learning schedule and study expectations before choosing a departure.

Step Into What's Next — Track Two

AFTER THE NCLEX-RN

**Build your résumé. Strengthen your professional story.
Prepare for what follows.**

Your first nursing position

Nurse residency applications

Graduate-program opportunities

Résumé and interview preparation

Transition-to-practice planning

Graduation marks what you completed. This immersion helps you shape the nurse you will become.

Professional-development support does not guarantee admission, employment or licensure.

BOTH TRACKS:

Let purpose shape the nurse you become.

Turn graduation into a meaningful transition.

Transition into practice

Reflect on your career goals

Serve and connect with peers

BOTH TRACKS:

Build Evidence for What Comes Next

**Service-learning and guided professional preparation can help
you document:**

Leadership

Cultural humility

Community–health learning

Clinical judgment

Professional growth

Transition–to–practice preparation

Use your completed work in résumés, portfolios, interviews, and future applications.

BOTH TRACKS:

Service begins with local priorities.

Learn from local partners.

Contribute with a clear purpose.

Community service

Health education

Clinical observation

Defined roles. Appropriate oversight.

Guided reflection on what you learn.
